## BRYAN IN COLORADO.

Is Received With Enthusiastic Greetings at Denver.

THOUSANDS WERE AT THE DEPOT.

They Gave the Nebraska Hero a Warm Welcome. Women Gave Him a Reception—His Visit Was to Attend the Anniversary of the Admission of Colorado into the Union.

Denver, Nov. 25.—If William J. Bryan had come to Denver as a conqueror here, whose victory presaged the restoration of silver, he would not have received any more enthusiastic greetings than those given him yesterday. The occasion of his visit is the twentieth anniversary of the admission of Colorado to the Union. Before being nominated to the presidency he had agreed to speak at the exercises in commemoration of the event.

He arrived early yesterday and was met at the depot by a committee. Even at that hour thousands of people were standing about the Union depot and cheered lustily. Mr. Bryan was driven at once to the residence of Hon. C. S. Thomas, where he breakfasted and remained until 10 a. m., when he went to the Brown Palace hotel to attend a reception given him in his honor by the women. Mrs. T. M. Patterson, president of the Woman's Suffrage society, presided. Introducing Mr. Bryan, she said:

"It is the height of my privilege to present to you formally today our distinguished visitor, already well known to us and honored beyond words. For in him we see embodied the hope of our nation against the dangers that threaten from our very strongholds all liberty and privilege. Through him we hope to see the national fabric of the future, founded upon the Christ-given principles of the golden rule, and in prophetic vision we see the stone which builders rejected becomes at last the head of the corner. Women of Colorado, I present to you the first president of the twentieth century, William Jennings Bryan."

Mr. Bryan responded to the address of welcome by the ladies in a neat half hour speech. He was applauded by every one of the 2000 women present. Mr. Bryan was then driven over the city and made short addresses at several points. Twenty thousand persons greeted him at the stationhouse. Mr. Bryan was the principal speaker at the exercises commemorating the twentieth anniversary of the admission of Colorado as a state, held at night in the Central Presbyterian church. The edifice, one of the largest in the city, was crowded in every part by a magnificent audience. The entrance of Mr. Bryan was the signal for prolonged applause and twirling of handkerchiefs, which was repeated many times during his address and when he finished.

Public School Session.

MONTGOMERY, Ala., Nov. 25.—Gen. E. W. Pettus has been elected United States senator to succeed Senator Pugh on March 4 next. He received 21 votes in the senate and 59 votes in the house. All the Democrats were present. The Republicans voted for Wickham and the Populists for Longshore. The joint convention will meet to announce the result today.

CHARGE AT CARACAS.

Heads There With the Agreement to Settle the Boundary Trouble.

NEW YORK, Nov. 25.—A dispatch to The Herald from Caracas, Venezuela, says Senator Andrade, the Venezuelan minister to the United States, arrived there on the last steamer from New York. His coming was publicly announced. He was accompanied by Mr. Scurrow, counsel for the Venezuelan government in the boundary dispute with England.

The minister will give the government full details in relation to the agreement between the United States and England upon which an Anglo-Venezuelan treaty is to be based for the disposition of the disputed territory.

The government is reticent about the arrival of Senator Andrade. It is reported, however, that President Crespo is highly pleased with the terms of the proposed treaty.

The whole question will be discussed tomorrow at a cabinet meeting.

A WOMAN INVENTOR.

Pushes to Completion the Work Her Father Began.

CINCINNATI, Nov. 25.—Miss Cora L. Turner has invented and patented a boiler especially adapted for securing great economy in storage for fuel and for the reason that it is likely to be of great use in vessels, making it possible to make long voyages without renewal of fuel. Miss Turner's father had attempted vainly in his life time to make the idea practical. After his death the daughter took it up and carried it out successfully.

Bloody Fight in Ohio.

LEBANON, O., Nov. 25.—A bloody fight occurred on the public square here between the notorious Miller gang and officers. Bill Wood, one of the desperadoes, recently from Missouri, was fatally shot by Policeman George Frost, who himself received a bullet in the thigh, while several others suffered slight injuries. It was a case of resistance to arrest for outrages and violence by the Miller gang committed last week. Two others of the gang were arrested.

## THANKSGIVING FRUIT.

Big Sales Made at New York at Advanced Prices.

New York, Nov. 25.—Large sales of California, Jamaica and Spanish fruits are being made for the Thanksgiving trade for holding. Goodsell, of the Goodsell Fruit company, said last night that the fruit market had responded to the excellent demand that exists just prior to this holiday, so that the prices of all kinds of products were very good and business was quite active. Until within a few days low prices have prevailed, but now prices have advanced from 25 to 50 per cent. The last receipts of California grapes are now coming into the market, and Monday's sales of California grapes and Emperor—a grape similar to the Tokay—resulted in the fruit bringing about \$8 to \$4 per double crate of 48 pounds. The first direct shipment bringing a large cargo of new crops of Sicily lemons has just arrived, and the fruit is selling at an average of \$3 per box of 200 lemons, as against \$1.75 that ruled about a month ago for similar grades. Jamaica oranges are arriving in large quantities, and 4000 packages sold at from \$2.25 to \$2.50 per box of 300 oranges. Jamaica grape fruit sold at about \$7 per barrel of about 100 freight. The Goodsell company also sold the first lot of Mexican oranges that have arrived this season. The fruit, however, was not in good condition, and 600 boxes sold at about \$1.35 per box.

At the salesrooms of Brown & Seaborn 1150 packages of California grapes sold at \$1.15 to \$1.35 per package and 250 barrels of Jamaica oranges went at \$4 to \$4.25 per barrel. The California grapes, that have not quite as good keeping qualities as the Spanish, are being put on the market as they arrive, and will be all consumed by the end of December. The choice qualities of Spanish grapes will be put out in January.

Mr. Goodsell said that the last cargo of Almeria grapes for the season has already come in. The total importation will be 100,000 barrels short of that of last year on account of a short crop, but prices are not proportionately higher.

FACTS OF A ROBBERY.

A Relative Tells How an Old Woman Was Robbed of Her Cash.

OLDENWAT, Nov. 25.—A robbery of an old woman by three men who, at the point of revolvers, took nearly \$800 from a bag tied around her waist beneath her skirt, was explained today by Mrs. Richardson, a relative of the victim. She said the robbery was planned two weeks ago, and that it was done by her bartender, Fred Richardson, a man named Fletcher and a negro named Green. The woman told where some of the money was hidden, and it was found there. The robbers had entered the house and one covered the brother of the victim, an old man, while the other two seized the victim, tied her hands and took the money, showing that they knew how she carried it.

FOUR HUMAN SKELETONS.

Found in a Cave and Believed to Be of Some Prehistoric Race.

MANFIELD, Mo., Nov. 25.—While exploring an ox cave near this place a party of hunters unearthed four human skulls. It was supposed at first that they were the remains of Indians, but the subsequent discovery of several pieces of pottery and crude instruments of war, which it is known were not the handiwork of Indians, leaves no doubt that they were the bones of some prehistoric race, probably the moundbuilders. The skulls have been sent to the Smithsonian institute at Washington for further examination.

SIMPSON GOING TO CHICAGO.

The Great "Money Raiser" Will Try His Hand There.

CHICAGO, Nov. 25.—A. B. Simpson, founder of the Christian Alliance, will be present at the meeting of that society in Chicago next week. In Willard hall the great "money raiser" will attempt to parallel the contributions for the missionary cause made at the Old Orchard campground and at the Carnegie hall meeting in New York. Christlike and devoted to their religion, he will urge the sacrifice of luxuries, costly fineries and all unnecessary personal belongings. Mr. Simpson's first record-breaking collection was at Old Orchard in the summer of 1895. In that historic camp he stirred his auditors to such a religious fever that at one session an offering variously reported at from \$50,000 to \$75,000 was made. This year, in spite of the hard times, the annual campaign collection reached \$112,000. A month ago in New York the record was again raised to \$123,000.

Several prominent religious workers will assist Mr. Simpson in organizing the movement in this city. Among them will be Stephen Merritt of New York, founder of the Travellers club, a home for tramps; Dean Peck of Colorado, field secretary of the alliance and to a territory of the Moody Bible institute of Chicago. Dwight L. Moody and the Rev. A. T. Pierson may be in attendance. The Christian Alliance was established by Mr. Simpson several years ago. It is strictly orthodox.

Fatally Shot.

GALVESTON, Tex., Nov. 25.—Sam Jackson, a negro, was shot and fatally wounded last night by a negro, surrounded to the officers.

## RETURN OF WEYLER.

Denied That It Was on Account of Fear.

THE SPANISH SIDE OF THE AFFAIR.

It Is Stated That Official Business at Havana Demanded His Attention, and, Besides, It Was Absurd For Him to Injure His Time to Chasing Little Bands of Insurgents.

WASHINGTON, Nov. 25.—The dispatch from Jacksonville, Fla., reading that a cipher telegram had been received from Havana, in which it was stated that General Weyler was driven to return to Havana through fear, is discredited here. The Spanish view of the return of General Weyler is entirely different. It is pointed out that General Weyler is not only commander of the troops, but governor general of the island, and in Havana there is a large amount of official business needing his attention. It is stated in the campaign just made that Weyler had been to the strongholds of the insurgents, passed through many towns and destroyed their supplies. From a Spanish point of view the war at present has resolved itself into chasing small bands of insurgents about the country, and it would be absurd for the captain general to place himself at the head of one company or another of these troops and follow straggling bands of insurgents from one corner to another.

CAUSING MUCH COMMENT.

Return of Weyler Without a Battle With the Insurgents.

HAVANA, Nov. 25.—[Copyrighted, 1896, by the Associated Press.]—The unexpected arrival here of Captain General Weyler from the province of Pinar del Rio without having been successful in bringing about an engagement of importance with the insurgents under Antonio Maceo is causing comment here and there are many rumors in circulation. On one side it is asserted that Weyler's return means that he will shortly return to Spain on some plea or another. Officially, however, it is denied. The impression prevails, however, that there will shortly be important changes here.

In insurgent circles it is said there is a claim that his return to Havana without bringing about an engagement with the insurgents is equivalent to not carrying out the promise made Spain. It is asserted that the plan of Antonio Maceo was to avoid a general engagement with the Spanish troops, as he feels confident that the weather and wearisome campaign being conducted by the Cubans must ultimately exhaust the Spanish troops and bring about the concessions of all or nearly all the demands of the insurgents.

NOTHING KNOWN AT WASHINGTON.

Think the Trial of the Competitor's Crew Is More Numerous.

WASHINGTON, Nov. 25.—The state department has received absolutely no information of any kind from Havana or elsewhere concerning the report that the Competitor prisoners have been tried in Moro castle by a secret and summary court-martial. Under these circumstances no statement at all will be made at the department on the report, but in view of the plain provisions of our treaty and also the clear requirements of the laws of Spain officials are loathe to believe the report correct. It is believed, in view of the provisions of the law, that the authorities at Havana would not make such a flagrant breach of law as the report alleges.

Spaniards Defeated.

LONDON, Nov. 25.—A Singapore dispatch to The Times says the Spaniards have been defeated by the insurgents in the Philippines with the loss of 500 of their men.

Will Dine With the Queen.

LONDON, Nov. 25.—Thomas F. Bayard, United States ambassador, and Mrs. Bayard, were "commanded" yesterday to visit Windsor castle Thursday next, and dine with the queen. Mr. and Mrs. Bayard will also sleep at the castle that night, and Mr. Bayard, in consequence, has been obliged to cancel his engagement to preside at the thanksgiving dinner of the American colony here.

Butcher Caught by a Rat.

SIOUX FALLS, Nov. 25.—The Dakota National bank closed its doors on account of a heavy run which left less than \$1000 in cash on hand. The bank was heavily loaded with real estate of a depreciated nature, but the officers hope to reorganize and resume business. The last statement of the bank printed Oct. 8, showed \$175,000 deposits, and loans and discounts \$196,000.

Rescued Threatening Letters.

VERMILION, Ky., Nov. 25.—Lester W. Ridgely, manager of the Midway turntable in that county, has received anonymous letters threatening to burn his home if he continues to collect tolls and chopped down every night for five nights.

Minister Robbed and Killed.

BLOOMINGTON, Ill., Nov. 25.—Rev. James Miller, pastor of Grace Methodist Episcopal church here, was found murdered and robbed in an attic at Duaneville today. The revolver with which the crime had been committed was lying by the dead man's side.

CRISP SUCCEEDS HIS FATHER.

Nominated by a Rising Vote For the Unexpired Term by Democrats.

ATLANTA, Nov. 25.—The Democratic congressional convention to nominate a candidate to succeed to the unexpired term of Hon. Charles F. Crisp was held at Jacksonville yesterday. Charles E. Crisp, eldest son of the late ex-speaker, was nominated by a rising vote. A committee escorted the nominee to the hall, and in a brief speech Mr. Crisp thanked the convention for the honor conferred upon him and the compliment to the memory of his father in making him his father's successor. Mr. Crisp will be elected without Populist opposition. He is a young man, just 28 years of age, and will be one of the youngest members that ever occupied a seat in the national legislature.

FATAL PRAIRIE FIRE.

States Forces Reported to Have Burned to Death Near Rochelle.

GUTHRIE, O. T., Nov. 25.—A disastrous prairie fire has swept over the Seminoles country near Rochelle. Sixteen persons, it is reported, were burned to death by the raging flames.

A Catholic mission was saved by the heroic work of Sisters Freda and Kirk. These two sisters fought the flames for two hours with blankets and saved the lives of 20 Indian pupils. The fire was started by outlaws who were fleeing from a posse of deputy marshals. Most of the people burned were half-breed Indians.

EXPLOSION IN A MINE.

Two Men Killed and Three Hurt and the Mine on Fire.

PRIMO, Utah, Nov. 25.—A heavy explosion occurred at the St. Louis Gypsum company's mine near Fort Duchesne, in which two men were killed and three others badly injured. The explosion was caused by the combustion of asphaltum dust and gas, the mine immediately taking fire. The heat was so intense that it was impossible to get near it. The flames arose from all the shafts 100 feet in the air.

A PROBABLE ACCIDENT.

KNOXVILLE, Nov. 25.—Pat Mitchell, who raped a 7-year-old girl last Friday in Watauga county, North Carolina, was arrested at Johnson City, Tenn. Officers left the latter place last night with the prisoner, and at Allentown, near the state line, Mitchell was taken from the train and probably lynched, as the citizens were terribly angered.

Shipping Cattle to London.

PARK, Ky., Nov. 25.—Timothy O. Alexander will ship from his farm in this county 650 head of Durham cattle averaging 1736 pounds to the London market for Christmas beefs. It will require 50 cars divided into two trains to transport them to Norfolk, Va.

The Bill Defeated.

MONTGOMERY, Ala., Nov. 25.—The female lawyer's bill, which passed the senate Monday, was reconsidered and defeated by a vote of 15 to 14. The same measure was defeated in the house by a vote of 59 to 23.

Charged With Embezzlement.

MINA, Ark., Nov. 25.—William Bryant, formerly of Jess Creek, Ky., ex-sheriff of Breathitt county, in that state, was arrested here charged with embezzling Breathitt county funds.

Charged With Assault.

MAYFIELD, Ky., Nov. 25.—John Stone, a negro, has been arrested for criminal assault upon Mrs. J. M. R. Green. He was taken to Paducah to avoid lynching. The town is greatly excited.

Returned Received So Far.

John Leslie at Large.

DALLAS, Nov. 25.—John Leslie, who is charged with forging the name of H. B. Keating to a check of \$500, and who left town Saturday after cashing the paper, has not been captured by the officers.

Stricken With Paralysis.

The Hurt Trial.

AUSTIN, Nov. 25.—The taking of rebuttal testimony was continued in the Hurt trial Tuesday, medical experts being on the stand. Their testimony was to the effect that Hurt is sane.

## THE DINGLEY BILL.

A Diversity of Opinion as to the Measure.

REPUBLICAN CAUCUS IS POSSIBLE.

The Present Indications Are That if the Caucus is Held the Dingley Bill Will Be Against Taking Up the Dingley Bill at the Coming Short Session of the National Legislature.

WASHINGTON, Nov. 25.—There is such a diversity of opinion among Republican senators in the city as to the course to be pursued at the next session with reference to the tariff that it is considered quite probable a caucus will be held very early in the session to decide upon a line of action.

Senator Sherman is still understood to hold to the opinion that the Dingley bill should and could be passed at the approaching session, while other Republican senators disagree with him, some as to the wisdom of the measure and others as to the possibility of getting it through. It is believed that a line of action can be agreed upon in a party conference which can be satisfactory to all and which, when it is once decided upon, will render unnecessary much needless agitation.

The indications now are that the decision of the caucus when held will be against taking up the Dingley bill.
